

Annual Report of Community Benefits

Baylor Scott & White

HEALTH

Baylor Scott & White Medical Center – Brenham

700 Medical Parkway, Brenham, TX 77833

Taxpayer ID # 74-2519752

For the Fiscal Year Ended June 30, 2022

OUR Mission:

Baylor Scott & White Medical Center – Brenham, an affiliated hospital of Baylor Scott & White Health (BSWH), is committed to fulfilling its mission: *“founded as a Christian ministry of healing, Baylor Scott & White Health promotes the well-being of all individuals, families and communities.”*

OUR Community:

For the 2022 assessment, the community served by Baylor Scott & White Medical Center – Brenham and Baylor Scott & White Medical Center – College Station hospital facilities includes Austin, Brazos, Burleson, Grimes, Robertson, Waller, and Washington counties. BSWH has at least one hospital facility or a provider-based clinic in each of these counties, and together they comprise where more than 70% of the admitted patients live according to the hospital facilities' inpatient admissions over the 12-month period of FY20.

OUR Community Health Needs:

The complete 2022 Community Health Needs Assessment (CHNA) and Implementation Strategy can be found at BSWHealth.com/CommunityNeeds. This assessment is a compilation of public and hospital data and input gleaned from stakeholders representing the broad interests of the community. The following health concerns are identified in priority order based on the results of the CHNA.

Priority	Need	Category of need
1	Chronic disease management/education	Conditions/diseases
2	Access to mental healthcare (providers/resources)	Mental health
3	Access to primary care	Access to care
4	Obesity	Conditions/diseases
5	Population under 65 without health insurance	Access to care
6	Transportation	Transportation

OUR Community Benefit:

FY22 Total \$ 6,267,992

Charity Care \$ 2,555,938

Unreimbursed expenses associated with providing medical care for the indigent, uninsured, and underinsured through Medicaid and other government, state, or local health care programs.

Government Sponsored Programs \$ 3,528,520

Unreimbursed expenses associated with providing medical care to the beneficiaries of Medicare and other federal, state or local government health care programs.

Community Health Improvement \$ 63,345

The programs and services that extend beyond patient care activities and include services directed to both individuals and larger populations in the community. These services include such things as educational information about preventive health care and treatment for specific diseases, informational health lectures to help understand various conditions and diseases as well as available treatment options, opportunities that promote healthy activity and wellness initiatives, health fairs and screenings, and support groups.

Health Professions Education \$ 80,518

Baylor Scott & White Health provides opportunities to health professionals for furthering their education and training. This includes clinical education and supervision for clinical rotations for medical students, nursing students, and other health care professions. Opportunities include but are not limited to Baylor Scott & White Health employees.

Financial and In-Kind Donations \$ 30,751

Baylor Scott & White Health provides community benefit program grants and support to local non-profit organizations through dedicated community benefit funds as well as donations of staff time, medical supplies or equipment.

Other Community Benefits \$ 8,920

Baylor Scott & White Health provides other services with the goal of improving the overall health of the community including ongoing assessment of community health needs and evaluation of community health programs and services.
